We are the European company INVEST HOLDING, based in Lithuania and successfully providing legal, consulting, accounting and business services for the countries of Africa and Asia.

99% of these services are performed remotely and can be sold online.

We have a working profitable business that brings in about \$ 250, 000 per year and we want to increase our profits to \$ 2, 000, 000 - \$ 3, 000, 000 per year. We have everything for this - and we are ready to split the profit in half with our future investor, partner.

Required investments - \$ 600, 000

-We are not a startup with cosmic ideas and billions of dollars in obscure spending.

-We have hundreds of payment receipts from clients and bank statements of our income.

-Our company has never attracted third-party investments, it has always had a single shareholder and director.

We can offer you exactly 49% of the shares of our company for \$ 600, 000, which will be mastered within 5-6 months and our company will increase its turnover. You will be a full-fledged equal partner with access to your bank account and all company resources. All important decisions will be made jointly.

If you need a European residence, then a bonus for you will be the fact that based on this partnership, you and your family in the amount of up to 3 people, in addition to you, will automatically receive a permanent residence permit card for 3 years in an accelerated mode within 2 months since our company has a large turnover and pays taxes. If you have questions or a counteroffer, we are waiting for your feedback.
